HIGH TECH
CAMPUS
EINDHOVEN

Welcome to the smartest square kilometer of Europe! You are now part of our Campus network, together with more than 200 companies and 12.000 other highly-skilled professionals. The magic of the Campus lies in bringing the brightest and best together.

Welcome to
the heart
of innovation

We share a preferred working approach at the High Tech Campus Eindhoven: Open Innovation. By sharing knowledge, experience, world-class research facilities and technical infrastructure, Campus companies can accelerate & innovate faster, better and at a lower cost. This gives them a clear competitive edge in a highly competitive market.

The mission of HTCE Campus Site Management is to stimulate Open Innovation on Campus by connecting our high tech community. We focus on people, companies and ideas, with a reach that extends worldwide. To achieve this, we organize events and meetings as well as share information

online and through the media about our companies. We are here to help your company and our network grow. Please contact us with your needs, ideas and suggestions. Together we can Turn Technology into Business. Contact us at info@hightechcampus.com

10 Reasons why you'll never want to leave

You have chosen to work at High Tech Campus Eindhoven, and you won't regret it. We think you'll never want to leave because you now have access to:

- A foothold in Europe's leading R&D hotspot
- A place that easily attracts talented co-workers
- Always a bright (technical) mind nearby
- Access to world-class research facilities
- An open innovation culture
- Direct access to extensive business and knowledge networks
- The inspiration from 500 business, social and technical events yearly
- A great place to work – attention to recreation and mutual inspiration
- The proximity of useful top-tech companies and knowledge institutes in the region
- A family-friendly environment, with childcare and an international school nearby

The Strip

Everybody setting foot on High Tech Campus Eindhoven soon hears two words: The Strip. This remarkable 400-metre landscaper forms the beating heart of the Campus community. The Strip is completely designed to connect people. All social facilities are brought together: restaurants, Conference Center, shops and services, and the Campus Wellness Center. The Strip is the place to eat, meet, exercise and relax.

Great place to work

The High Tech Campus is a great place to work. Please help to maintain this positive atmosphere by following our general guidelines

- The Campus is open to public access from 06.30h to 20.30h, Mondays to Fridays
- Please follow the instructions of security and other authorized staff
- The Dutch road traffic regulations are applicable throughout the Campus
- The Campus has designated areas for you to park for free and special places for people with a parking permit
- The Campus lakes and waterways are not meant for recreational purposes such as swimming or fishing
- Please be aware of any safety hazards and report them via +31 (0)40 - 230 5441
- In case you find any items of value please hand them in to the security personnel at the information point at HTC 47a
- Would you like to take photographs inside Campus buildings? Please contact info@hightechcampus.com

For an overview of all Campus guidelines, visit: www.hightechcampus.com
In case of Emergency, call +31 (0)40 - 230 5444

While lunch is an excellent meeting moment, there are other opportunities. The Campus is designed to stimulate encounters among bright minds. Sharing knowledge and experiences boosts problem solving and innovation. Our Conference Center at The Strip hosts more than 500 events annually, ranging from business and network activities to in-depth technology seminars and conferences. We've got a variety of meeting rooms at your disposal and feature a perfectly equipped auditorium for events for up to 300 people. Learn from inspiring keynote and expert speakers, or host your own event.

Exercise & relax

Naturally, serious brainwork 'needs some downtime'. During the summer you will catch numbers of sun lovers alongside the pond. Also we have a fully equipped Wellness Center at The Strip where you will find motivating group lessons and professional coaches.

Campus Technology Seminars

Is photonics the new revolution? What will be the future of wearable technology? And how is the development going of self-driving cars? These kinds of questions are being answered during Campus Technology Seminars. Several times a year High Tech Campus Eindhoven creates a platform where highly-skilled people can share their technical knowledge and experience among experts. Everyone is welcome! Check all upcoming events via our site: www.hightechcampus.com

Grasp your discount on the Strip

25% discount on your first poster

Congratulations with your new adventure at High Tech Campus Eindhoven! To celebrate, we offer you 25% discount on your first poster. Please send your file to htc.printservice@canon.nl and deliver us this coupon when you collect your poster.

Enjoy your stay at the Campus and we hope to see you soon at our printshop!

50% discount on your lunch

Daily fresh Indian curries prepared by chef Raghu. At Love My Curry you will smell, taste, hear and experience a piece of India.

50% discount on a lunch item at the Foodtruck of your choice

A lively outdoor Foodtruck area at the lakeside. You can also host your event at The Food Lab.

Open daily 11.30h - 14.00h
+31 (0)40 - 230 57 77

Eat

Around noon the Campus researchers, developers and entrepreneurs step out of their offices and stroll towards The Strip. The building includes eight restaurants to fulfil your lunch (and even your breakfast or dinner) appetite. Give yourself a pizza, a Subway sandwich, a real Indian Curry. Have a drink alongside the pond or grab a nice lunch at one of the food trucks at the Food Lab.

More facilities

With all the action at street level, you might miss out on the rest. The Strip's first floor offers even more specialized lunch offerings and a number of shops and services that save you a trip downtown. Insurances, banking, computer necessities, printing, dry cleaning, a post office and a hairdresser: all available on site.

Free home made pizza

The Italian kitchen is accessible, versatile, fresh and full of flavours. Enjoy the great lake view with an Italian pizza, pasta, insalate or dolci.

Open daily 11.30h - 14.00h
+31 (0)40 - 230 57 77

Free tall Starbucks drink of our choice with local beans

LOKL - Starbucks café aims to be more than just a place to buy coffee: it's a place in-between work and home. A place that brings people together. A place where you can meet new people, drink, eat and chat.

Monday & Friday 7.30h - 16.00h
Tuesday, Wednesday, Thursday 7.30h - 19.30h
+31 (0)40 - 230 57 77

Events

Female Tech Heroes

Female Tech Heroes is a new networking event dedicated to women working in technology. We want to inspire women in tech but also women who are curious about technology', say Hilde de Vocht and Ingelou Stol, the founders of Female Tech Heroes. Join our network (men are very welcome as well), and let's create diversity together:

www.hightechcampus.com/femaletechheroes

Sport events

High Tech Campus Eindhoven also wants to be the most vital square km of Europa. With amazing partners we organize all kind of sport events. Do you like cycling? Join the High Tech Crit Festival or MTB Challenge! Do you like running? Join the CampusRun! Do you like swimming, cycling and running? We have a triathlon too!

Drinks, Pitches & Demos

Every first Wednesday of the month (from 17:00h - 19:00h) we organize an informal gathering with drinks and demos for start-ups, innovators and inspired professionals. Do you have this brilliant idea you want to share, a problem you can't solve or just want to meet some cool people? Drinks, Pitches & Demos is the place to be!

Europe's greenest Campus

Grazing sheep on the campus grounds, garbage containers that signal you when it's time to empty them and solar panels on all the roofs of the campus buildings. Just a handful of the dozens of initiatives High Tech Campus Eindhoven is taking to become the most sustainable European Campus by 2025. And it's not just idle talk. Campus Site Management has designed a roadmap with several key performance indicators (KPI's) to measure their sustainable progress. The most promising goals of the roadmap: operating CO2 neutral by 2025 and reducing the use of fossil fuels with 50% by 2030. 'We are creating the first sustainability benchmark for campuses,' says Anne van Wijchen, Purchase and Contract manager at HTCE Site Management. 'It's our hope that other campuses around the world will follow suit and start using our benchmark model as well.'

50% discount on your first hair appointment

A modern salon with 4 chairs and a personal television screen for your entertainment during the visit and of course a cup of coffee or tea.

Open daily 09.00h - 17.30h
