

The Carpool Agreement and Carpool Campaign 2021 is valid for the period from January 1 2021 till December 31 2021. All rights and duties arising from this agreement will expire after December 31, 2021.

By signing this carpool agreement, the undersigned declare as follows:

**The carpool team declares that:**

- Together they make up a carpool team;
- The team member with the shortest work-home distance lives at least 10 km (one way) from the High Tech Campus Eindhoven;
- These work-home distances have been calculated according the Google maps method;
- The carpool team consists of at least three persons;
- At least two members of the team work at High Tech Campus Eindhoven;
- The mobility manager of High Tech Campus Eindhoven will be informed directly when there are any changes in the composition of the team;
- The carpool team commutes with a minimum of three members for at least 100 days a year;
- The windscreen sticker and the user rights arising from this shall only be used when the carpool team commuted that day;
- The windscreen sticker and the user rights arising from this shall not be transferred to third parties;
- If the carpool team is disbanded, the windscreen sticker will be returned immediately and no use will be made of the user rights arising from this;
- Failure to comply with the above conditions will exclude participants from further participation.
- Participation does not imply any rights for the period after 31-12-2021.

**High Tech Campus Eindhoven declares that:**

- Carpooling improves accessibility of the Eindhoven region;
- High Tech Campus Eindhoven is therefore encouraging carpooling by means of this Carpool Scheme 2021;
- The carpool team fulfils the requirements of the Carpool Campaign 2021;
- The carpool team is therefore entitled to a carpool windscreen sticker;
- This windscreen sticker authorizes the carpool team to park in the parking spaces designated by the 'P-carpool' sign;
- The carpool team is also entitled to use a regular parking space;
- High Tech Campus Eindhoven will provide enough carpool parking spaces at the campus;
- Action will be taken in the event of misuse of the carpool parking spaces;
- This agreement shall apply for the duration of the carpool scheme, which will end on December 31, 2021;
- If the carpool scheme will be extended, existing carpool teams will receive a new agreement and registered teams will be informed automatically;
- Participation in the carpool scheme shall not affect individual travel allowances;
- Participation in the carpool scheme shall be limited to those elements that are defined on the website [www.hightechcampus.nl](http://www.hightechcampus.nl);
- In case the carpool sticker is forgotten, day stickers are available at the information point.
